

# The Highlands Nifty Fifties...Plus Special Event Survey

A new year will soon be upon us. The objective of our group is to offer opportunities for members to participate in social activities, service activities, and special events. This form is to obtain your preferences, interests, and ideas for potential future special events. The possibilities are endless.

This information will serve as the starting point for planning a calendar of activities. Details will follow later for the selected events with potential costs, rsvp dates, etc. As always, for any event, carpooling will be encouraged.

From the categorized lists below, **please the check the items you are likely to participate in**. Also add any new ideas you may have. Return to Sylvia Fetty (11725 Burray Rd, [sylviafetty@gmail.com](mailto:sylviafetty@gmail.com)) ASAP.
